About SVSEF

Founded in 1966, the Sun Valley Ski Education Foundation has spent 60 years as a nonprofit pillar of the community, providing multidisciplinary snowsport programs for youth ages five and up to pursue their athletic potential while developing strong personal character through sportsmanship, shared values, and individual goals.

7 disciplines • 31 teams • 800 athletes • \$600k+ granted annually in financial aid.

Our VALUES

- Build character through RESPECT, INTEGRITY, and SPORTSMANSHIP.
- Pursue potential and excellence through CREATIVITY, COURAGE and PERSEVERANCE.
- Foster a culture of HUMILITY, TRUST, and TEAMWORK.
- Celebrate our COMMUNITY.
- Keep it FUN!

Why Partner With Us?

For 50 years, the Wild Game Dinner has brought our community together at the start of winter to celebrate SVSEF's impact, look to the season ahead, and support our Athlete Financial Aid Program.

Wild Game Dinner partners help make exceptional snowsport programs accessible to Wood River Valley youth and enable SVSEF to provide more than \$600,000 in financial aid annually.

Partnering with SVSEF connects your organization to more than an event—it connects you to generations of athletes, families, and a mountain community that believes in the power of sport.

Together, we can celebrate 50 years of tradition while creating opportunity for the next generations of SVSEF athletes.
